This Erasmus+ Mobility Consortium Certificate recognises the financial and operational capacity of the consortium to manage Erasmus+ student and staff mobilities in the framework of the EU's Erasmus+ programme (2014-2020).

It entitles the consortium to apply to the **CMEPIUS** for student and staff Erasmus+ mobility and operational grant funds.

The Consortium has agreed to respect the principles set out in the ECHE held by the higher education institution(s) participating in the consortium and agreed to make every effort to ensure high quality in organising Erasmus+ mobilities.

Each of the higher education institution sending student and staff is responsible for the quality, the content and the recognition of the mobility period as agreed in the

- Learning Agreement for Studies or
- Learning Agreement for Traineeships or
- Mobility Agreement for Staff Mobility for Teaching or
- Mobility Agreement for Staff Mobility for Training

endorsed by the student or staff, his/her home institution and the host institution.

*“Compliance with the Mobility Consortium Certificate shall be subject to the monitoring by the National Agency. Any major problems (e.g. misuse of funds, non-respect of obligations and weaknesses in the financial capacity) or any violation by the consortium of its commitments may lead to the withdrawal of the Certificate by the National Agency. The National Agency shall require the consortium coordinator to notify the National Agency without delay of any change in the composition, situation or status of the consortium which might necessitate changes to or withdrawal of the Certificate.”<sup>1</sup>*
